Above — First prize winner in the class for best ten head at the American Royal Show in 1920. All were sired by Master Ruby and his son, Master Bapton. All were bred and exhibited by Reynolds Bros. Today's type produced a quarter of a century ago.

Right — First prize produce of dam at the International Live Stock Show in 1918. Their names were Goldie's Ruby 2d and Goldie's Ruby. Both were first prize winners at the International. The cow that produced them was Goldie's Rose and there are a liberal number of her descendents in this sale. Today's type a quarter of a century ago. This pair could certainly win today. They were bred and exhibited by Reynolds Bros.

Ralph E. Reynolds

**A Sale Offering That
Deserves Highest
Praise**

THE news that Ralph Reynolds is going to allow Shorthorn breeders to buy 37 head of his best animals at prices set by themselves will be very welcome news to the many who admire his ability as a cattleman and who are eager to improve their herds by the kind he produces. And the further news that the sale is to be held at Dr. W. A. Taylor's beautiful farm "The Hickories", with additional strong consignments from this herd and the herd of Stanley F. Miller, is enough to make all lovers of good Shorthorns want to attend.

Ralph Reynolds is recognized as one of the world's foremost Shorthorn cattle authorities as indicated by the fact that he has officiated as Shorthorn judge at the International Live Stock Show on five different occasions. Moreover, the Reynolds Bros. herd is recognized as a leading nursery for the production of top show cattle as indicated by the many championships and winning "gets" that are credited to them in the history of the American show ring.

Reynolds Bros. do not expect to sell their present productions on the strength of their past reputation. The pictures in this catalog are a clear indication of the quality of the 1945 sale offering and the cattle will speak for themselves on sale day. The offering is made up entirely of cattle that are ideal in their red and dark roan colors, thoroughly modern in type and with all the character and quality that might be expected in the productions of men who have reached such a high position in the field of animal husbandry. The bulls that are responsible for the entire offering are pictured in this catalog and the cattle that will be offered for public appraisal on November 17th are a distinct credit to these sires and to their owners.

No footnotes appear in this catalog because the owners prefer to allow sale visitors to pass their own judgment on the quality, character and conformation of each animal. As spokesman for the owners of this fine collection of cattle, we invite all lovers of good Shorthorns to be with us on sale day.

These two great bulls are the sires of the six beautiful heifers consigned to this sale by Stanley F. Miller.

Above — Regal Clipper was the top selling bull at the 1939 International Sale and has proved an excellent sire. He was bred by W. A. Dryden & Son in Canada and is a son of Klaymor Mandarin by Imp. Collynie Royal Barrage.

Right — Regal Leader, bred and used liberally by Stanley F. Miller, is one of the great young sires of the day as his calves in this sale will prove. He is a son of Regal Clipper.

The Stanley Miller Consignment

Those who have had the privilege of inspecting this herd and of knowing Mr. & Mrs. Stanley Miller and their fine family, have had a rare treat. Every member of this large family knows good Shorthorns and what it takes to produce them. Whenever they consign cattle to a sale, they are among the tops. The six that follow in this catalog will be no exceptions.

Hal Longley, Sale Manager

Left — Vernon Miller, son of Mr. & Mrs. Stanley F. Miller, with Duke, the steer that won the 4-H championship for him at the Wisconsin State Fair.

Right — Augusta 4th (photo taken as a calf) was the first calf sired by Regal Clipper. Isn't this the type we all like?
